Worker:		Claim #	
Company		Job Title <b>Green House Waterer Modified</b>	
Phone #	Hours per day:	Days per week:	
Employer Name (please print)		Title:	
Employer Signature:		Date:	

**Essential Job Duties:**

- Turn on water and roll powered hose reel to end of nearest row of starts in the greenhouse.
- Pull out enough hose to reach the middle of the starts.
- Water the starts on the green house floor using hose with sprinkler wand.
- Work from each side of the rows of starts, reaching into the center with hose wand.
- Walk a ways up the row pushing or pulling the powered hose reel and water the next batch that you can reach.
- Continue doing this until all the starts are watered.
- Return powered hose reel to area next to faucet for storage.
- This job is modified by purchasing a power hose reel.

**Machinery, tools, equipment and personal protective equipment**  
Hose, watering wand, rubber boots.

**Modification: Powered Hose Reel on Pneumatic Tires**

The rolling powered hose reel reduces the 45 pound drag, from the extraneous hose, while maneuvering about the green house. Pull out the hose to water plants and then use the push button switch to reel in hose.

**FREQUENCY DEFINITIONS**

<b>N: Never</b> (not at all) 0 minutes	<b>S: Seldom</b> (1%-10% of the time) up to 48 min.	<b>O: Occasional</b> (11%-33% of the time) 49 min. to 2 hrs., 25 min.	<b>F: Frequent</b> (34%-66% of the time) 2 hrs., 26 min. to 5 hrs., 35 min	<b>C: Constant</b> (67%-100% of the time) more than 5 hrs., 36 min.
